

Everyone will have to come
CLEAN.....You are forgiven
for your past sin but what
did you do about the past
LIE? Did you work and find
out the TRUTH? Did you
JUDGE the LIE to the
TRUTH? At this moment I
am looking at a bunch of
NO's (meaning to KNOW
without JUDGMENT and
without WORK). GET OFF

YOUR ASS, WORK TO
KNOW, TO MAKE RIGHT
JUDGMENTS! YOU CARE
NOT WHAT OTHER
PEOPLE THINK ONLY THE
TRUTH-IN-ALL-THINGS
YOU CARE ABOUT, AND
PUTTING DOWN THE lie...

Ohms Kool, I hear of wars
and rumors of wars, what
you make of this word from
the un-repenteds?

RD: Reclamation

Decipherer, our LORD says
to pay know attention to
that and to not be deceived
by the LIE of CHRIST
being WHO and WHERE?
Our LORD said that
because the UN-
REPENTED is the WORD
of WAR. The un-repentent
words are a fart in the
wind to us, we walk away

quickly to avoid the
stench.....

Yes, they do stink spewing
out lies to gain monies from
the IGNORANT in
INIQUITY believing
bullshit.

We know the SAINTS will
END INIQUITY, when the
lie is irrelevant and the
TRUTH is in the HEARTS
of the REPENTED, but the

UN-REPENTED will be
thrown into HELL cause
they blasphemy the
SPIRIT-OF-TRUTH with
lies and laugh in your face.

Heed JESUS WORD and
repent of all the lies from
men that they have
condition you to believe.

The un-repenteds are in the
big-shit going to HELL.

Remember ignorant, your

senses came from GOD, to follow your senses means you follow GOD. Why follow man's pseudo-science that is devoid of your senses? That is why when you judge the pseudo-science it only leads you in circles with KNOW explanation to your senses but to your expenses. You \$pay taxes to lead you in circles to

repeat you \$paying for a
lie.....

This is GODS fail-safe-
system, to save the
ignorant that KNOW not
the TRUTH. To make them

a SLAVE to the LIE they
BELIEVE against the
TRUTH-IN-ALL-THINGS
until they repent of all lies
they believe and entertain
for wants and needs
against GOD our fellow
humans and ourselves.

(tempo....<writings on the wall - album leaf>....)

(tempo....<no fear of falling - i am klood>.....)
